Sacramento, CA 95814

I am asking you to chart a smarter course for California through the "CALFED Bay/Delta" program by the following ways:

- INVEST IN WATER EFFICIENCY for at least 7 years before even considering new dams or reservoirs
- RESTORE OUR RIVERS, BAYS AND FISHERIES by providing adequate fresh water and caring for the land around our rivers
- IMPROVE WATER QUALITY for people and wildlife by enforcing pollution limits
- STOP MAKING TAXPAYERS PICK UP THE TAB for studies of new dams and reservoirs that flood valuable habitat and remove needed water from our rivers.

GIVE THIS YOUR STRONGEST EFFORT TO MAKE IT WORK NOW!

Thank you.
